

# 2021 Academy for Future Teachers

## STEM Leaders Program

A 3-week summer program for high school students

hosted by Georgia State University

Returning June 2021

8:30 - 1:00

Weekdays

- Design weekly lessons for elementary and middle school students as you explore the art & science of good teaching.
- Connect & learn with professors, teachers & students from throughout Atlanta.
- Strengthen core math & science skills.

- Your full attendance & participation earns generous stipend.
  - Rising juniors & seniors and CTAE students preferred. Rising sophomores & college-bound seniors with strong service and scholastic records also welcome.
  - Participants receive transit support/parking space & snack card.\*
- \*For AFT programs held on campus.

The best part  
of teaching  
is that  
it matters.

Details coming early spring 2021
